This is the great result of an accurate selection of the very best batches, harvested from our 40-years-old vineyards. With its exclusive packaging, the numbered bottles come with an incredible double metal front label. This wine is produced only in the best years, when the quality of the product is superb. After the vinification it is refined in underground concrete tanks for 12 months and barriques for at least 24 months. A meditation wine, perfect with the right ambience.
