Natural Cork

Don Rocco Montepulciano D'Abruzzo DOC RISERVA 2018

This is our tribute to “DON ROCCO” Perrucci, the founder. Grapes come from a 40-years-old vineyard, rich in valuable substances. Only the best grapes manage to reach the optimum ripening. Manual harvesting allow us to select them so to guarantee an extremely high quality. Harvest begins during the first decade of November, so the bunches undergo a little natural dehydration and as a result they express themselves is an exceptional concentration of color, tannins and polyphenols.
